# Online Safety for Children

Your guide to the social networks your children use can be found on the following NSPCC website; **Net Aware**

https://www.net-aware.org.uk

This website will help to keep you up to date with the latest Apps and games. Net Aware gives you simple advice on what's new in social networking. The NSPCC reviews privacy settings, suitable ages and appropriate content for over 50 sites.

The most recently added information is about the multiplayer action survival game, Fortnite. This game has grown in popularity amongst pupils as have emerging safety concerns.

On this site you can also sign up to receive a newsletter to hear about new social network Apps and games.
