Phonics

'Spirituality is the bitter-sweet yearning for beauty, truth, love and wonder beyond ourselves. It is a longing we pursue together and a treasure we glimpse in ourselves and one another and seek beyond us into eternity. It is life in all its fullness.'

	For words to ‘read’ and ‘spell’ please refer to Academic Breakdowns for each year group.								
Wider English	Year 1 - Within discrete phonics teaching focus should be on ‘exposure’ of all possible spellings. Practise and application should then remain around the more common spellings. Within wider English lessons regularly model spelling words correctly using the 44 sounds chart. Year 2 - Within discrete phonics teaching focus should be on mastery of the more common spellings as well as delving deeper into the more obscure spellings. Practise and application should then be a balance of applying a range of different spellings in a variety of contexts for both reading and writing. Application of spelling should be monitored closely throughout writing in wider English and cross curricular (they should not just apply spellings in phonics!)

	Practise blending words containing phonemes learnt so far Week 1 –3 (words containing digraphs/trigraphs) mastery focus Week 2 – phase 4, including longer words, mastery focus Week 3 – phase 5 mastery focus Practise blending to read in a variety of ways: games, phonics books, real books. Practise reading longer words by cutting up written words into syllables – lots of opportunity for provision here too.		Practise oral blending and segmenting through small group and whole class games. Support children when spelling longer words, encouraging them to include initial, middle and end sounds in every word they write. Support pupils to use phoneme fingers and phoneme frames through adult-led, child-led and class challenges.			Support children to create their own spelling word banks using alternative spellings to support in their writing. Raise awareness of common spellings (specific to Year 1) by playing word sorting games. Support children to refer back to spelling rules for Year 1, helping them to apply alternative spelling with greater accuracy.		
Wider English	Explain purpose of alien words – simply to scan for phonemes we know! They don't make sense so don't turn them into a real word – however we can have fun with alien words, why not make up alien stories using alien names – BUT alien names don't have capital letters! Modelling segmenting should be used in all daily practise whenever writing – whatever the subject, not just English! All subjects– teach correct spellings for key vocabulary , modelling use of alternative spellings and pronunciations.

Practise and application should then be a balance of applying a range of different spellings in a variety of contexts for both reading and writing. Application of spelling should be monitored closely throughout writing in wider English and cross curricular (they should not just apply spellings in phonics!)														
For words to 'read' and 'spell' please refer to Academic Breakdowns for each year group.															

Nebula Phonics Long Term Plan 2023-24

A Systematic and Synthetic Programme

KS1 – Phase 5 - 44 Sounds Chart Consolidation Block (Week Plan)					
	Y1 S2 W7			Y2 A1 W2	
revisit	Practise letter names using an alphabet mat or at random (reading or writing) Phase 3 and Phase 5 flashcards/frieze Recap tricky/HFWs using word mats and/or display 44 sounds chart – let’s see how well we know this sound mat – how quickly can you find X family?				
	Monday	Tuesday	Wednesday	Thursday	Friday
teach	Consolidate long vowel sounds	Consolidate short vowel sounds	Consolidate controlled vowel sounds	Consolidate consonant sounds	Consolidate digraph sounds
practise & apply	Practising identifying alternative spellings for various families e.g. use the 44 sounds chart to tell me how to spell eight, encouraging them to identify the spelling family and which section it belongs to, e.g. long vowels. Practise blending words containing words from each family within said section – <i>word, sentence and/or passage level</i> Support pupils in using letter names for spelling when writing, highlight purpose of this.				
	Year 1 - Within discrete phonics teaching focus should be on ‘exposure’ of all possible spellings. Practise and application should then remain around the more common spellings. Within wider English lessons regularly model spelling words correctly using the 44 sounds chart.				
	Year 2 - Within discrete phonics teaching focus should be on mastery of the more common spellings as well as delving deeper into the more obscure spellings. Practise and application should then be a balance of applying a range of different spellings in a variety of contexts for both reading and writing. Application of spelling should be monitored closely throughout writing in wider English and cross curricular (they should not just apply spellings in phonics!)				
	For words to ‘read’ and ‘spell’ please refer to Academic Breakdowns for each year group.

	Sp1 W5 Introduction to suffixes	Sp1 W6 Introduction to suffixes	Sp2 W1 Consolidation block 1	Sp2 W2 Contractions Possessive apostrophes. Homophones	Sp2 W3 Teaching of spelling of longer words Finding the difficult bits in words	Sp2 W4 Spelling rules and patterns
R	Practise recognition and recall of graphemes and different pronunciations of graphemes as they are learned. Practise reading and spelling common exception words.					
Teach	<p>Adding –es to nouns and verbs ending in –y - The y is changed to i before –es is added. flies, tries, replies, copies, babies, carries</p> <p>The suffixes –ment, –ness, –ful, –less and –ly - If a suffix starts with a consonant letter, it is added straight on to most root words without any change to the last letter of those words. enjoyment, sadness, careful, playful, hopeless, plainness (plain + ness), badly</p> <p>Exceptions to the above - Exceptions: (1) argument (2) root words ending in –y with a consonant before it but only if the root word has more than one syllable. merriment, happiness, plentiful, penniless, happily</p> <p>(For activities to support the teaching of suffixes please see L/S: p. 171, p.172, p.173)</p>	<p>Adding –ed, –ing, –er and –est to a root word ending in –y with a consonant before it - The y is changed to i before –ed, –er and –est are added, but not before –ing as this would result in ii. The only ordinary words with ii are skiing and taxiing. <i>copied, copier, happier, happiest, cried, replied ...but copying, crying, replying</i></p> <p>Adding the endings –ing, –ed, –er, –est and –y to words ending in –e with a consonant before it - The –e at the end of the root word is dropped before –ing, –ed, –er, –est, –y or any other suffix beginning with a vowel letter is added. Exception: being. hiking, hiked, hiker, nicer, nicest, shiny</p> <p>Adding –ing, –ed, –er, –est and –y to words of one syllable ending in a single consonant letter after a single vowel letter - The last consonant letter of the root word is doubled to keep the /æ/, /ɛ/, /ɪ/, /ɒ/ and /ʌ/ sound (i.e. to keep the vowel ‘short’). Exception: The letter ‘x’ is never doubled: mixing, mixed, boxer, sixes. patting, patted, humming, hummed, dropping, dropped, sadder, saddest, fatter, fattest, runner, runny (For activities to support the teaching of suffixes please see L/S: p. 171, p.172, p.173)</p>	<p>Consolidate teaching of suffixes taught in Sp2 W1 and Sp2 W2.</p>	<p>Contractions can’t, didn’t, hasn’t, couldn’t, it’s, I’ll</p> <p>Possessive apostrophes Megan’s, Ravi’s, the girl’s, the child’s, the man’s</p> <p>Homophones/near homophones there/their/they’re, here/hear, quite/quiet, see/sea, bare/bear, one/won, sun/son, to/too/two, be/bee, blue/blew, night/knight</p>	<p>Longer words: Clap and count: Use this activity for spelling compound words, words with prefixes and other multisyllabic words. (please see L/S p.176)</p> <p>Words in words: To investigate how adding suffixes and prefixes changes words. (Please see L/S:P.175).</p>	<p>The /n/ spelt /kn/ and (less often) /gn/ at the beginning of words. knock, know, knee, gnat, gnaw</p> <p>The /j/ sound spelt as /ge/ and ‘dge/ at the end of words, and sometimes spelt as g elsewhere in words before e, i and y. End of words: badge edge bridge dodge fudge In other positions within words: gem giant magic giraffe energy jacket jar jog join adjust</p> <p>Ending - ge - After all other sounds, whether vowels or consonants, the /dʒ/ sound is spelt as –ge at the end of a word. age huge change charge bulge village</p> <p>The /s/ sound spelt c before e, i and y. race, ice, cell, city, fancy</p> <p>The /r/ sound spelt /wr/ at the beginning of words - write, written, wrote, wrong, wrap</p>
Practise/ apply	Practise reading and spelling words with adjacent consonants and words with newly learned graphemes Practise reading and spelling high-frequency & tricky words Practise reading and spelling polysyllabic words Practise reading and writing sentences.					
	<p>Wider English - It is important to know the difference in meaning between homophones. In contractions, the apostrophe shows where a letter or letters would be if the words were written in full (e.g. can’t – cannot). It’s means it is (e.g. It’s raining) or sometimes it has (e.g. It’s been raining), but it’s is never used for the possessive. Introduce the past tense when referring to and teaching suffixes Sp2 Wk1 – Sp2 Wk3.</p>

Provision for Pupils with SEND

Here are some recommendations for ways our Phonics curriculum can be adapted to meet the needs of children with SEND.

Please note, this is an example of adaptations and is not an exhaustive list.

- Pre-teaching of on the day grapheme-phoneme-correspondences and/or words – flashcards and sight words
- Post revision of on the day grapheme-phoneme-correspondences and/or words – flashcards and sight words
- Pre-prepared resources when reading – sound buttons added and tricky words highlighted
- Children working below ARE could have adapted application activities that meet the skills from the previous year group
- A range of teaching methods and techniques to promote discussion and understanding
- Use a range of methods to record their design and evaluation elements: typing, filming, recording, drawing...
- Working with an adult – use of timers to help motivate joining in with the sessions
- Sound and word mats
- Additional reading/writing interventions
- Pre-teaching of key concepts to support children's independent learning

Deeper Learning Questions

Deeper learning question starters:

- Is this **always, sometimes or never** true...
- Which is the **odd one out**...
- What's the **same/difference**...
- Is this **true or false**...
- Do you **agree/disagree**...
- Can you **prove**...
- Can you **convince me**...
