

Pupil premium strategy statement

Frettenham Primary School

Hainford Primary School

St. Faiths' Primary School

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview

Detail	Data
School Name	Frettenham Primary School
Number of pupils in school	62
Proportion (%) of pupil premium eligible pupils	15.0%
School Name	Hainford Primary School
Number of pupils in school	73
Proportion (%) of pupil premium eligible pupils	19.0%
School Name	St. Faiths' Primary School
Number of pupils in school	91
Proportion (%) of pupil premium eligible pupils	22%

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£ 58 780
Recovery premium funding allocation this academic year	£ 6 464
Pupil premium (and recovery premium*) funding carried forward from previous years	£ 0
Total budget for this academic year	£ 65 244
Budget Share	Frettenham Primary School £ 9 730 Hainford Primary School - £ 22 860 St. Faiths' Primary School - £26 190
Recovery Funding	Frettenham Primary School - £ 2154 Hainford Primary School - £ 2154 St. Faiths' Primary School - £2154

Part A: Pupil premium strategy plan

Statement of intent

Children in receipt of Pupil Premium should have equal access to a broad and balanced curriculum, in line with all pupils. We intend that they should make similar progress, from their starting points, to non-pupil premium children. Through targeted intervention, gaps will be closed.

Pupils will have good reading skills through quality first teaching, accessing high quality literature and rich vocabulary. Staff will focus on the Power of Reading, inspiring a love of reading.

High quality teacher and TA intervention programmes will target disadvantaged pupils to close gaps. In addition, the extensive support provided by the pastoral team intends to remove barriers to learning as well supporting social and emotional well-being.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Lack of access to high quality texts and rich vocabulary
2	Difficulty accessing the broader curriculum when reading is a challenge
3	Current cost of living crisis impacting family dynamics and the prioritising of education

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Gaps between Pupil Premium children and others with similar starting points, will have closed	Data from testing 3 x yearly Teacher Assessment Successful monitoring and completion of intervention programmes

Improved richness and scope of vocabulary	Engagement in LTE (Let's Think in English) and PoR (Power of Reading) Improved use of vocabulary when writing Improved use of vocabulary when speaking Improved comprehension of identified key subject specific vocabulary across the curriculum
Identify and support families, as well as pupils, to ease the effects of the cost of living crisis however possible.	Pupils will arrive in school ready to learn; ie not hungry, appropriately dressed, and calm.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

Teaching

Budgeted cost: £ 3 450

Activity	Evidence that supports this approach	Challenge number(s) addressed
Power of Reading Books	High quality texts are used to inspire children to read and be exposed to a rich vocabulary. Additional units are introduced to strengthen and broaden pupils' vocabulary and to widen the selection of books available in order to appeal to a greater number of pupils. <i>The Power of Reading is CLPE's proven resource and training programme which uses quality children's literature and creative teaching approaches to support schools to develop a high quality literacy curriculum and foster a whole school love of reading and writing.</i>	1;2;3
Staff CPD (new staff, including ECTs) in Let's Think in English	Pupils are encouraged to think independently using a teaching programme which develops higher-order skills needed for success in English. These include inference, deduction and analysis together with confidence and resilience when responding to unfamiliar texts.	1;2;3
Purchase of Books	In order to inspire children to read independently, class teachers have an allocated termly budget to improve classroom book corners.	1:2:3

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £ 23 002

Activity	Evidence that supports this approach	Challenge number(s) addressed
Additional teaching staff, teaching assistants and apprentices	Additional staff will allow smaller teaching groups in English and mathematics; targeted interventions to be run to improve progress; sensory circuits and specific physical activity to improve concentration and engagement in lessons; support to enable children to access the whole curriculum regardless of barriers.	1:2:3

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 40 078

Activity	Evidence that supports this approach	Challenge number(s) addressed
Work of practitioners within the pastoral team	<p>The pastoral team offers a manager (who coordinates provision, assesses and evaluates need and impact) and practitioners who offer the following:</p> <ul style="list-style-type: none"> 1:1 tailored support for pupils Nurture groups Parent led CBT Counselling – child and parent Play Therapy Family/parent Support Sensory Circuits Outdoor Wellbeing Informal support Contribution to FSP Support to access external agencies eg CAMHS; Nelson’s Journey Transition support Solution Focused Coaching 	3

	<p>This approach aims to support children to be the best they can be by creating a nurturing environment to create self-belief and belonging. Pastoral care is integral in ensuring we meet the needs of all children.</p> <p>Increase demands on the team have necessitated investment in infrastructure, designated spaces and equipment to accommodate pupils, particularly those with sensory needs.</p>	
Developing the cultural capital of pupils	Pupils are given the opportunity to experience dance; Young Voices; inspirational visits from authors and poets.	1;2;3

Total budgeted cost: £ 66 530

Part B: Review of the previous academic year

Outcomes for disadvantaged pupils

80% of children in receipt of Pupil Premium had some intervention during the academic year. Interventions in reading, mathematics and phonics were run for pupils identified by class teachers through question level analysis or teacher assessment. These were targeted, monitored and assessed half termly. Interventions were for pupils well below the expected standard; just below the expected standard but capable of reaching it; pupils at the expected standard but capable of working at greater depth. The remaining children in receipt of Pupil Premium benefited from additional staff reducing group sizes.

Across the school pupils in receipt of pupil premium make progress in line with other pupils with similar starting points.

At Frettenham 33% (1/3) of pupils in receipt of Pupil Premium achieved the expected standard at the end of KS2 in English, writing and maths.

At Hainford there were no pupils in receipt of PP at the end of KS2.

At St. Faiths' 100% of pupils in receipt of PP, achieved the expected standard in reading at the end of KS2 (National 60%) writing (National 58%) and maths (National 59%)

Pastoral interventions were also delivered, targeting individual children.

Externally provided programmes

Please include the names of any non-DfE programmes that you used your pupil premium (or recovery premium) to fund in the previous academic year.

Programme	Provider
Bronze Challenge Award	CC1
GOAL (Game of Actual Life)	Premier Sport
Tutor Led Sessions	School Staff

Further information (optional)

Our broad and balanced curriculum is supported by visitors and visits, all of which are heavily subsidised by the school; individual pupils are also supported to attend visits, including residential visits.

Physical education apprentices have been employed and they enhance after-school provision and engage pupils at lunchtimes, positively affecting behaviour.

Many children in receipt of PP access our sensory provision; this includes staffed sensory circuit sessions with specialist equipment and designated sensory rooms.

The schools are involved in community based projects which broaden pupils awareness of the world around them.
