

### Christian Distinctiveness

<b>Overview</b>	<p>At St Faiths' Primary School, we ensure that the teaching of our Art curriculum embodies our Christian Distinctiveness and gives our children the chance to be the best they can be. We regularly refer to and reinforce our School Values: <b>Compassion, Responsibility, Honesty, Forgiveness</b> and <b>Perseverance</b></p> <p>Through our Art curriculum, we believe our children are given a variety of opportunities to explore different ways of learning and points of view. In doing so, we give the children the tools and skills needed to develop a deeper understanding of the modern world and those within it.</p> <p>We teach children to be <b>honest</b> while critiquing artistic work, allowing them to form a personal opinion whilst showing <b>compassion</b> for others. Through a development of artistic skills, we practise our <b>perseverance</b>, allowing ourselves to be <b>forgiven</b> when mistakes occur. Each student fosters their own unique art sketchbook, which they take <b>responsibility</b> for as they move through the school.</p>
<b>Our Story: Noah's Ark</b>	<p>Through the teaching of a range of religious stories, such as our school Bible story of Noah's Ark, we further reinforce the idea that everyone is included at our school, regardless of their own life story and how different that might look to our own. By following God's word, everyone will <b>flourish</b>.</p>
