SUMMER READING CHALLENGE

Supporting your students this summer

The **Summer Reading Challenge** takes place over the summer holidays throughout the UK. Run by national charity **The Reading Agency**, and delivered with the support of the **UK public library network**, it is the UK's biggest free reading promotion for primary-aged children.

The Challenge reaches over **700,000 families** each year, motivates children to keep reading during the summer holidays, and helps them to maintain their reading skills and confidence.

Available online and through public libraries, the Challenge provides fun **reading for pleasure** activities for all abilities and helps to prevent the summer reading 'dip' during the long break from school.

Welcome to Wilderville!

Each year the Summer Reading Challenge has a new theme. For 2021, The Reading Agency is partnering with **WWF** for **Wild World Heroes**, a nature-themed Challenge that will inspire children to engage with environmental issues.

Wild World Heroes invites children into the fictional neighbourhood of Wilderville, where six young explorers are on a mission to make their home a greener place for the people and animals living there. As they progress through the Challenge, children will help the Wild World Heroes take care of Wilderville by tackling real-world environmental issues, from plastic pollution and deforestation to wildlife decline and nature loss.

Featuring bespoke illustrations from award-winning children's author and illustrator **Heath McKenzie**, Wild World Heroes will take children on a reading journey and empower them to help to look after our planet.

It's so easy to take part!

The Summer Reading Challenge runs in 95% of UK public libraries and online at wildworldheroes.org.uk

Wild World Heroes launches on **Saturday 19 June** in **Scotland** and **Northern Ireland**, and on **Saturday 10 July** in **England and Wales**.*
