

Neboula

where stars are born

Welcome

Welcome to the Nebula Federation.

Our schools have been working as a partnership since 2015. We have demonstrated the fantastic opportunities this gives for improving the quality of education for our children and, in December 2017, we decided to formalise the arrangement and become a federation with one governing body.

Throughout the process of creating the partnership, and then the federation, each school has had an equal opportunity to discuss each and every decision, meaning that collectively we have created something to be proud of.

This small brochure will outline the thought process behind the name of our federation and the positive outcomes this federation provides, and we hope you and your child get to experience all the benefits of the federation during your time at this school.

Yours faithfully
Ashley Best-White

Nebula consists of:

- ❶ Frettenham Primary
- ❷ Hainford Primary
- ❸ Horsford Primary
- ❹ Old Catton Junior
- ❺ St Faiths' Primary
- ❻ White Woman Lane Junior

Positive Steps

Central Resources

Together as a federation we are able to share resources. The federation also gives all six schools strong leadership, extra sustainability, flexibility and the capacity to support school improvement. All six schools are able to work much more closely together, sharing their strengths and ensuring that collectively they are providing the very best education for your children.

Head of Schools

Each school has a Head of School. This individual will act as the head teacher of the school and be your point of contact about your school.

Financial improvement

Collectively we are able to improve the financial stability of our schools.

Standards

The federation means that we build on the strong foundations that already exist to raise standards. This arrangement means we can highlight what works in each of our schools and have wider collective support to overcome some of the challenges that schools can face.

High Quality

The core purpose of the federation is to develop the very best, self-improving organisations to ensure that your children do exceptionally well and are prepared for the future. We are committed to provide each and every child with a holistic education that enables them to be successful and prepares them for the future.

Strong alone, stronger together

Together we are most definitely stronger to ensure the highest quality of teaching and learning for all of the children.
