Hainford Newsletter

Although the summer term has got off to a somewhat chilly start, it's been lovely to see the children coming to school with smiles on their faces and displaying a great attitude towards their learning. Once again there will be a wide range of extra-curricular activities planned to enrich children's learning. We are currently finalising all our Summer term plans for events, so please keep an eye on the dates section of our newsletter and our website.

Nelson's Journey Fundraiser

On Wednesday, Hainford Primary took part in a fundraising activity for the charity Nelson's Journey who have supported members of our school community in the past. Pupils came to join us at lunch time on Wednesday to make memory bracelets for a donation of £1 per bracelet. They enjoyed making them for many different reasons.

Wrap around care

We would like to hear about:

Any wraparound provision you are currently using for your children who are at Primary School - wraparound provision you have used in the past but are no longer using - wraparound provision you are considering using. We would like to hear about your experiences too

Please follow this link <https://forms.office.com/e/UUkyrV0hTd> to complete a short survey to help inform our decision (no personally identifiable data will be captured).

An extract from George's (year6) thoughtful poem about war

I miss the taste of fresh cold water quenching my thirst.

I miss the warmth of a bed sending me to sleep.

I miss the sight of a beaming, yellow sun scorching my skin.

I miss the sight of the freshly cut grass forcing a smile on my face.

Our Christian Theme for this half-term is Respect and Reverence

As a school community, we will be looking how we can show respect to each other and towards adults in school and the wider community. We will explore how we can encourage children to respect their own and other people's belongings. We will also learn about the places and objects that can be considered 'holy' or 'sacred'.

Let's Celebrate!
