

# SEN Support

**Do you think  
your child may have  
emerging  
additional needs?**

The Norfolk School and Community Team have been holding regular Engagement Meetings at our schools where you can come and pick their brains! Our Executive Deputy for SEND, Jenni Porter, is also there. Each session will be for an individual parent or family and will last for up to 45 minutes. All of our families are welcome at any of our schools for these meetings, so don't think you have to wait until they are at your child's school. The timetable for the rest of this year is below—please request an appointment via your own school office or SENCO.
