I hope you all had a lovely summer; it has been great hearing about all the different things the children have been up to. It was super to see so many smiling faces on the playground yesterday. Our new Reception children have settled in amazingly well. I popped in yesterday to see how they were getting on and it you wouldn't believe it was their first day. The year 1 children have been really helpful making sure they know how the class works.

Thank you also for the effort with school uniform, they all look very smart. Please can you ensure they have PE Kit with a change of outdoor trainers from Monday.

There is a great **fundraising event at the village hall and playing field on Sunday from 10am**. You should have received a flyer with details so please come and support it if you can. A big thank you to Louis Irving for all the organising of it.
