Safeguarding

I would like to make you aware of changes to School access during the school day. After a routine review of safeguarding procedures we are increasing our ability to monitor access of visitors. Our school site is rather unique with regard to the position of the office in relation to the main School access gate. During the school day and at break times, the children are often moving around the site between buildings. We have a duty to ensure the site is fully secure and the children supervised. Therefore please continue to use the buzzer on the gate and a member of staff will either use the intercom or come to the gate to meet you. In most instances you will be requested to remain outside school and a member of staff will assist you with your enquiry, or they will be able to allow you access as necessary. Please do not see this change as a move to reduce your access to the school, but as one that enables us to ensure that the children are safe at all times during the school day. Thank you for your support.

Reminder!

Monday, 7 May is a bank holiday, so the school will be closed. Enjoy the sunshine and we look forward to seeing you on Tuesday. Registration is at 8.45am.
