Raising funds for Nelson Journey

We are going to be doing something new this year for Christmas! We wanted to do something fun and charitable, so we have signed up to complete the Nelson Journey Rudolph Run!

On 15 December 2021 we will be completing the Rudolph Run to help raise funds for the Nelson Journey Charity, *registered Charity 1170605*. We are asking all children to donate £2 and we will complete the Rudolph Run during the morning, to work up an appetite for the school Christmas Lunch!

Nelson Journey will be providing us with an activity pack to design our own antlers and they will be providing the red nose!

We will be holding a raffle to top up the fundraising for this Charity, after the success of the Children in Need raffle.

If you would like to donate more than £2 on the day, all funds raised will be going straight to Nelson Journey.

A vacancy has arisen to join our team at St Faiths' Primary School. Being a Midday Supervisory Assistant would suit someone looking for a small role during the school day. You will be required in school every day and will be contracted to 5.5 hours per week.

If you are interested in applying, please contact the office at St Faiths' Primary School (office@stfaithsprimary.norfolk.sch.uk) and we will share with you the necessary application form.

Christmas Games

On Thursday 9th December Class 3 will be organising Christmas Games for the other children to play. These are games they have designed and made in pairs and then set up for the other children to have a go at. If you would like your child to play the games, please send them in with some change on the day. Games will cost between 10p and 20p to play. All the money raised will be going to a charity of Class 3's choosing.

We are collecting crisp packets at School, to turn them into insulating blankets. Please collect up your crisp packets and send them in to School!

☀️ We need your empty crisp packets! ☀️
Over the next few weeks here at Cafe Bar Marzano and over at Norwich Cub Scouts, we're collecting crisp packets that will be turned into insulating blankets for homeless people of Norwich. Crisp packets do not have to be cleaned but preferably flattened. We've popped a collection box near the entrance, but if you can't find it just ask a member of our team! Thank you lovelies! @theforumnorwich

We have found a really good website to help with your Christmas book purchases, for your child.

If you are in need of some inspiration, please try this website. There are different sections for each age.

this unique period. With the support of their dedicated tutor, you will discover the impact of Covid-19 on early attachment and self-regulation and consider how to support your child's transition as they settle into their early years setting.

 This session is suitable for those with children aged 0-3 years. Parents/carers are encouraged to attend without their children. We welcome SEND families.
