Hainford Newsletter

All the staff here at Hainford would like to wish everyone a Merry Christmas and a Happy New Year. Thank you once again for all of your support and we hope that you are able to have an enjoyable Christmas.

The school opens back up on Thursday 4th January and we look forward to seeing everyone back ready for the new term. Thursday will continue to be our 'PE Day' so please can all children come in PE kits for this day.

Christmas at Hainford

From Nativity performances to Christmas lunches, all children have been enjoying a range of Advent/Christmas related events. As a school we have been exploring the importance of Advent and the different traditions that exist in other countries. Thank you to all staff who have made these events both possible and ultimately so successful.

Trim Trail Improvements

Thanks to all of the fundraising by Hainford’s PTA and your generosity at PTA events, the school’s Trim trail has been extended. When the weather has allowed, children from all age ranges have been using the new equipment and showing off their amazing skills.

Internet Safety

With Christmas approaching, you might be thinking about buying a device. This is a guide from internetmatters.org, which might help you decide which device is most suitable.

<https://www.internetmatters.org/resources/tech-guide/#choose-guide>

Here is also a parent guide to Snapchat. It does have a user age of 13, but I am aware that some children have access to these and older siblings could be using them and so might be useful to read. On the same site are also guides to TikTok, YouTube, Instagram, Roblox, Fortnite and lots of others too
