Thank you to everyone who attended our Assertive Mentoring evenings this week. Hopefully they were positive and we certainly enjoy that by having the children attend too, they are able to hear directly what is being discussed. If for any reason you were unable to make an appointment and you would like to have a meeting at another time, then contact the office and we will arrange a time as soon as we can.

Please keep an eye on the diary dates as things are being added all the time at the moment.

A few dates to be aware of that are coming up in the next couple of weeks though are...

Thursday 5th March: World book day Book swap. If children would like to bring in a book or two that they are happy to donate for other children to read, they can then choose a book to take themselves. Any left-over books we will donate to a local charity shop. As in previous years, we have chosen not to dress up as favourite book characters. We feel it can put undue pressure on children and families to source costumes and actually can take the focus away from books and become more of a commercial event. Apologies if this cause a little disappointment to some.

The week of 9th – 13th March is also our STEAM Week, where each class is going to undertake range of activities which will link together Science, Technology, Engineering, Art and Maths.

Lunch payments

Please can I ask that all lunch payments are paid for in advance to help our Year End process. We have to close our year end on 20.03.2020. We would therefore ask that all lunches are paid for in advance to cover the period until 31.03.2020, on or before 20.03.2020. Thank you in advance for this help.

We are aware that parents may have questions regarding the coronavirus, COVID-19. It is a rapidly changing situation and we are monitoring advice from the Department for Education and Public Health England who are issuing guidance for educational settings.

Staff will be talking to pupils generally about hand hygiene and use of tissues when coughing and sneezing. We ask that you reiterate these messages at home.
