Support families to help keep their children safe online

The Norfolk Constabulary Safer Schools Team and their colleagues from PREVENT (Counter Terrorism), Cyber Security and the Safeguarding Children Online Team will be delivering two webinars about keeping children safe online during 7th February 2023. These webinars provide very important information for parents and carers and we hope to attract as many participants as possible and can be booked via Eventbrite.

The 'Value for Life' the start of this half-term is Friendship

A Christian Perspective on Friendship:

Christians believe that they can call God their friend because of the relationship made possible through Jesus. (Values for Life).

As a school community, we will be exploring how pupils can be 'good friends' even when relationships get strained and how it is important to support and encourage our peers and friends to help them achieve their goals and aims.

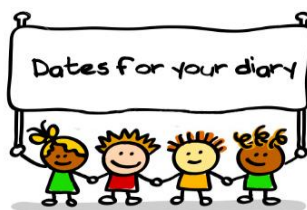

Let's Celebrate!
