

**Thursday 5th March 2026**

Your child will have brought home their World Book Day token yesterday. They can be redeemed at most supermarkets and bookshops for one of the special World Book Day books or can be used as a £1.00 token against another book. It would be great if the children could bring in their book they have swapped it for next week on World Book Day.

Here are the details again for our World Book Day competition:  
**Make a potato book character competition.**

Using a box or piece of cardboard, design and make a scene from a book. You are welcome to enter as a family. £1.00 entry fee.

Book voucher prizes from the Friends for creativity.

**Bring to school on World Book Day.**

**There is also a Design a book token competition:**

Your child has been given a template to design a National Book Token.

To enter they need to create a bold, eye-catching gift card design that celebrates their interests and shows how books help them explore ideas, spark imagination and go further through reading, and they could win prizes galore.

Six winning entrants will bag HUNDREDS of pounds for our schools and themselves so they can choose all the books they need during the National Year of Reading and beyond. Plus, one overall winner will see their design turned into a real National Book Token for every child in their class – and enjoy a visit to a bookshop to spend them!

So get the pencils, pens and paints ready...

**Designs will need to be back in school by Friday 13th March to be able to be sent off.**
