It was lovely to see so many of you in school this morning enjoying your bacon roll. A big thank you to the Friends for organising the fathers' day breakfast and thank you to everyone who supports our events. The funds they generate really do help develop what we are able to offer the children with resources and experiences.

In all my years teaching I cannot think of a time where we have had so many wet break-times in one week and in June as well!! The children (and staff) have coped very well with not being able to get outside and stretch their legs, hopefully we are in for a few weeks of good weather now leading up to the end of term.

Also a huge well done to Year 5 who despite the weather managed 2 days of cycling proficiency. Kaye the trainer from Norfolk County Council was so impressed with their attitude, ability and the way they supported each other in very difficult circumstances. I need to also thank Barbara Pegge and Lisa Turner for giving up their time to support the children. Unfortunately, this could be the last year we are offered the training as Norfolk County Council are looking to make financial cuts and this is an area which looks like it may suffer which is an absolute shame.
