Following on from last week, unfortunately we got confirmation that the team who deliver our cycle training have been made redundant from the end of this academic year. I think you will all agree this is a real shame, we will continue to deliver the best road safety training we can with in the school but will not be able to undertake any cycle training, so that role will now fall solely on parents to ensure that their child can ride safely on the road.

On a happier note, our 'Happy Garden' is really starting to take shape. Gardening club have been working hard to plant out a lovely variety of plants, trees, and shrubs. My particular favourite one is the one that smells of chocolate!
