## Hainford Newsletter

Well another hot week seems to have flashed past in the blink of an eye. Once again, I would like to say well done to all children and staff for all the amazing work, attitude and enthusiasm displayed throughout the school. It has been lovely to see children participating in after-school clubs, sports events, trips and within class. We continue to encourage pupils to try something different this half-term.

Please keep an eye on our, 'Dates for your Diary' section as events come thick and fast at this time of year. If you have any questions, please don't hesitate to contact the office.

### Transition

At this time of year, especially with our year 6 pupils heading off to Aylsham High School this week for their transition days, we begin to organise our own transition events here at Hainford. On Thursday morning, children will have their first opportunity to experience their 'new' class for September 2023.

### Open School Event

Following on from the success of last year's event, we are inviting parents/carers to come into school on Monday 17<sup>th</sup> July from 2pm to celebrate some of this year's work. There will be displays, scrap books and lots more. Afterwards, there will be the opportunity to discuss your child's end-of-year report which will be sent out on Thursday 13<sup>th</sup> July.

### Yr3/4 Nebula Cricket

Well done to all our Hainford cricketer's who participated in last week's Nebula yr3/4 cricket event. The children were a credit to the school and mini matches were played in a great spirit.

We're pleased to let you know that booking for the summer holiday activity scheme is now open. Activities start from 24 July and parents will be able to use the booking link to search and book an activity for their child. There are thousands of spaces available across Norfolk this summer and we have stacks of exciting activities that children and young people can take part in.

Families should visit [Big Norfolk Holiday Fun on Active Norfolk](#) to search and book activities.

### The Flourishing Families Tool

The Flourishing Families Tool has been designed for families who might want a little extra help meeting their child's needs. We know that parenting can sometimes feel overwhelming, but we all share the common goal to give our children the best start in life. There are all sorts of things that families can get help with, whether it's healthy eating, fun activities or financial management, and this tool was developed to help families work out what they are already doing well and help them to find support when and if they need it.

The tool is available at [www.justonenorfolk.nhs.uk/flourishingfamilies](http://www.justonenorfolk.nhs.uk/flourishingfamilies) and in just five minutes families can find out about the support that's available.

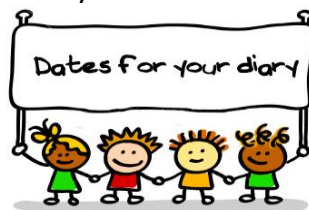

### Let's Celebrate!

June 23rd	Star Award	Values Award Humility and Core Values
