Hainford Newsletter

We hope that you were able to enjoy the record heat and sun this half-term break. We look forward to another successful half-term ahead.

Class 3's Energy Saving Day

Class 3 is focusing on climate change this half-term (especially the effect on oceans) and how we can help. There are many effects of climate change on our oceans: the world is getting hotter, icebergs are melting, sea levels are rising, coasts are flooding (destroying towns) and marine animals and plants are dying. The largest contributor to climate change is burning fuel for electricity, heating, and transportation. But there are many ways we can help, including using less electricity, growing your own crops and planting more trees. You could also bike/walk more often instead of driving.

By Jacob (Class 3)

To raise awareness, Class 3 is doing an 'Energy Free Day' on **Thursday 11th June**. We will be turning off the lights and devices and using as little energy as possible for the whole day. We are also on our way to achieving the Ocean-Friendly Schools Award from the Marine Conservation Society, which recognises our pupils' commitment to caring for our blue planet.

Notices

On Monday afternoon, (8th) there will be whole- class photographs and our Year 6 leavers' photograph being taken.

Tuck Shop

Year 6 will be running a few stalls for a ‘Tuck Shop’ next **Friday 12th June at 3pm**. Please bring some coins if you’d like to buy yourself a treat. There will be a selection of sweets, baked treats, drinks and snacks. The money raised will be going to the PTA to buy things for the school.

This is a part of the Year 6 enterprise project, where they are learning to budget, manage money and make profit. Each group has been given £10 and they’re innovating all their own ideas to see which group can raise the most money.

Our Christian Theme for this half-term is: Humility

Christians believe that Jesus was both servant and king. Christians believe that they can serve God by demonstrating humility through their attitudes and actions. (Values for Life)

As a school community, we will explore how all members of the school community can serve one another. We will continue to encourage pupils to be empathetic and sympathetic to the experience of others.

Let’s Celebrate!

5 th June	Star Awards	Writing Awards (Perfectly Presented)	Values Awards Humble
Class 1	Reception Pupils – for excellent work in gymnastics	Ruben and Danny: for amazing segmenting for writing	Clemence: for always being considerate and thinking of others
