### **Message from Gyles**

We have had a couple of great weeks back, having Michael de Souza last week was an amazing and funny way to finish our Reading week about Black History. Our STEM week this week has also been jam packed with circus skills, rockets, construction and boats. It was lovely to see so many of you in school working with your child. If your child bought something from our Science Shop, I hope the children enjoy sharing their gadgets, kits, and curiosities with you.

There were some great costumes for World Book Day yesterday too. Please find time to use their book voucher they were given to either swap for one of the special World Book Day books or put it towards a higher priced book. One thing I heard, which was rather depressing and hope is untrue, was that the majority of parents spend more on World Book Day costumes than they do on books in a year.

Next week is looking a little calmer, with just Red Nose Day to contend with on Friday. The letter about it is attached to the newsletter, in case you missed it. Please feel free to add you 20p votes for which member of staff you would like to see splatted with wet sponges. Speak to Emma in the office.

**Please ensure your child is able to be in class at 8:45am when registration takes place. If they are not in class when the teacher takes the register, then when they are recorded as late with in registration. There are a number of children especially in Class 3 who are consistently getting into class after 8:45am, which is slowing up the start of the day.**

**Can I also remind parents that the yellow lines outside of school should not be used as a dropping off point. I know some parents like to drop and go, but it is important that the area immediately in front of school is kept clear for pedestrians to be able to have a clear view of the road when crossing.**

## Celebration Assembly

	Star of the week	Value award
Class 1	Harry O	James
Class 2	Harry M	Chloe
Class 3	Poppie G	Zara

## Attendance Celebration

	Whole School	<b>98.00%</b>
