Next week is Sports relief, we are hoping each class will (weather dependent) do some quick active warm ups first thing in the morning and on Friday to dress up in sporting attire of their choice and bring in a donation to Sports Relief. It is also our STEAM week, so each class has activities planned to link together different areas of the curriculum, either through the topic they are already studying or as a stand-alone project.

Although our book swap took place a day late, it did give some children who had forgotten to bring one in the chance to contribute as well. They should have also received their voucher to use against the cost of a new book or to swap for one of the World Book Day books.

I know each class has had conversations about hygiene and there have been numerous conversations in classes about the Corona Virus. We are being very proactive reminding children to wash hands and use tissues. If your child is becoming concerned with the seemingly endless coverage in the media then the BBC has some really good resources to help with gentle, factual but reassuring conversations. I would please ask you not to heighten any anxieties your child may have by overreacting but to follow and reinforce the main advice, that good hand washing hygiene is the best way to protect against any infection.

Lunch payments

Please can I ask that all lunch payments are paid for in advance to help our Year End process. We have to close our year end on 20.03.2020. We would therefore ask that all lunches are paid for in advance to cover the period until 31.03.2020, on or before 20.03.2020. Thank you in advance for this help.
