With regards to the Corona virus, hopefully we will be able to stay open over the coming few weeks to get to the Easter Holiday. We only are given the same information as the general public from the Government Websites. I can assure you every day at school all the surfaces and door handles are thoroughly cleaned, before the children arrive in the morning and we are ensuring children are washing hands at important times of the day. Please ensure the children's hands are washed just before coming to school, as this will be an added barrier to preventing any infections coming into school and spreading. Thank you for your support and if you have any questions about specific situations, then please come and speak to me.

Sports Relief

We managed to raise a fabulous £96.75 from our dress sparty and Class 3 Gingerbread sale. It was also a superb effort by all the children and staff who kept the relay baton moving around the field all day. (We did stop for lunch though!) We managed to run over the distance of **over a marathon** (over 45 kilometres)! What an incredible achievement.

Class 1 Morning routine

Please follow our request that only the children come into school by the office, unless there is a specific reason you need to speak to a staff member. Thank you.

Lunch payments

Please can I ask that all lunch payments are paid for in advance to help our Year End process. We have to close our year end on 20.03.2020. We would therefore ask that all lunches are paid for in advance to cover the period until 31.03.2020, on or before 20.03.2020. Thank you in advance for this help.
