Message from Gyles

Next Thursday will be Lisa Austrin's last day with us at Frettenham Primary School. She has decided it is now the right time to step back from school and have time to focus on her family and interests. This is a decision which Lisa has been considering for a while and originally had decided to retire last July, but wanted the opportunity to see the children back in school and has been amazing this year in helping welcome and settle them back in. Lisa has been at the school for over 12 years and since I have worked here, has worked in all the classes as well as leading PE too. Her positivity and commitment to the children has been amazing. Her enthusiasm for helping the children progress with their skills, learning or general wellbeing is so appreciated, we are certainly going to miss her. We all wish Lisa the very best with her retirement and look forward to hearing about all the adventure she is eventually able to make.
