Thank you for your support over the winter with the morning routine, now the weather is warmer and drier we would like to enable the children to be on the playground from 8:30am. Children will then line up at 8:45am and walk into class. Parents are still welcome to “drop and go” the same as they have and I believe as the children are now used to being brought in and left it would be good to keep this going. A member of staff will be on duty from 8:30 on the playground. As before, if you need to speak to staff, speak to the office and they will see if they are available or make an appointment.

After half term we will be having a financial awareness week. If your job is somehow linked to money, banking, or accounting then we would really appreciate you coming in and speaking to a class about what you do. If you think you would have time to come in please come and speak to me to arrange when.

School Readers

Do you have a spare hour a week? Would you like to listen to our pupils read? We would be very grateful for anytime that you could spare. Please speak with Mary to discuss what is required.

Gardening Club

We have a large compost delivery on Tuesday. Are there any volunteers who would like to help move this? If so, please let the office know. We will be moving this between 3pm-4pm.

Dear Parent / Carer

I am writing to inform you that the school will be taking part in a jointly run operation between Norfolk County Council, Norfolk Police and our school, it is called Operation Encompass. Encompass has been set-up to help schools to provide support to children who have been present at incidents of domestic abuse & violence. We know that children can be significantly physically or emotionally harmed when they are involved in, present or witness to domestic violence.

The school will receive a confidential phone call from Norfolk Children's Advice and Duty Service before 9am or as soon as possible thereafter on the morning after any domestic incident which Norfolk Police have recorded where a child at their school has been involved in, present or witness to domestic violence.

The school has designated **Gyles Longhurst and Jenni Porter** as Key Adults. Our Key Adults have received training from Norfolk County Council to allow them to use the information that has been shared to make sure that the right support is available for children and their families who have been involved in or witnessed a domestic violence incident.

We are keen to offer the best support possible to our pupils and we believe this is going to be extremely beneficial for all those involved.

If you have any concerns or questions, then please contact one of the above Key Adults or myself and we will be happy to discuss this further. Further information about the project can be found on our school's website and is available from the school office on request

Yours sincerely,

Gyles Longhurst
