### **Head lice**

We have had some reports that head lice have returned! The only way they can be controlled is if every parent checks their child's hair and if head lice are present, treats the child. Head lice are well camouflaged and hide when disturbed by combing. They do not always cause itching particularly when recently arrived on the head. They may also be few in numbers so a quick inspection is unlikely to detect them.

Use conditioner and a fine toothed comb, checking the comb for lice after each stroke as you work through the hair section by section, so that the whole head is combed through. Rinse out the conditioner and repeat the combing procedure in the wet hair.

If you find lice, treat using lotions obtainable from a pharmacist or by using the wet combing method.

### **Parents evening / assertive mentoring**

Parents evening/ assertive mentoring appointments are available at the office, on the red clipboards. Please sign up for an appointment by adding your child's names next to the time appointment which you would like. Assertive mentoring takes place next Monday and Wednesday. For our assertive mentoring we would like children to attend this appointment also.

### **Children In Need**

It is only two weeks away and School Council has been busy discussing their ideas. Firstly children will be able to wear yellow and/or spots for a £1.00. There will also be a design a Pudsey competition for a 20p donation. School Council were adamant we also need to have a cake sale, so it's a lovely opportunity to get baking! Any contributions will be greatly appreciated.

### **Lost locket**

One of our pupils think they have lost a white gold or gold heart shaped locket somewhere around school. If you find it please hand it into the office and we can return it to the family, who would be extremely grateful. Thank you.
