Thank you to everyone who made the effort to attend our Assertive Mentoring appointments last week and a few extras this week too. It is supposed to be and hopefully was a really positive experience and will help you support your child at home with their learning. The questionnaire responses were overwhelmingly positive and what was nice to see was that when issues arise they are resolved quickly and successfully. If you ever do want to know more about what the children are learning or how to support your child, use SeeSaw to message the teacher or pop in and speak to them at the end of the day. There is also information about the curriculum on the website if you want an overview of each class.

#### **Hainford School – cleaning job vacancy**
