Reading Together

On Wednesday, Partner Reading was restarted. This is where children have the opportunity to read together in their house teams and explore a wider collection of books. It was lovely to see how supportive and engaged all the children were.

Carrying on the reading theme, I would also like to say well done to all of the children who took part and to those who also completed the Norfolk Library Summer Reading Challenge 2024. It has been rewarding to celebrate this achievement with many of these children in Friday's Celebration Assemblies.

Hainford PTA

We are looking to recruit new PTA members to help support school events and fundraising opportunities. If you would be interested in joining our PTA please email the school office, speak with one of our PTA members, or follow us on our Facebook page.

A call out for parent/adult helpers

Thank you to all the adults who have already offered their support to the school so far. We are currently looking to create a pool of adult helpers to support the school with trips, activities and hearing children read. Any support would be greatly appreciated. Volunteers would need to complete a Volunteers DBS check which, in the vast majority of cases, will be free-of-charge. Please contact the school office to find out more.

School Website

Our school website <http://www.harnserfed.co.uk/> contains a huge amount of advice, documents and information for parents such as our curriculum, transition documents and staying safe-online. I would urge all parents/carers to regularly visit our website.

Our Christian Theme for this half-term is Courage.

A Christian Perspective on Courage:

Basic to Christian faith is the claim that God is always present in every situation. This belief has led to great acts of courage that have included facing danger and opposition, overcoming fear, making a stand for what is right and encouraging others to persevere. Through prayer people have found the strength to help them to be courageous.

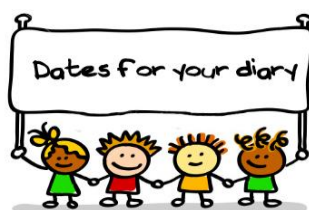

As a school community, we will be exploring how we can help members of our school community who are facing difficult times. We look at how we can find courage to face challenges and overcome barriers.

Let's Celebrate!
